

The Nikki Perlow Foundation

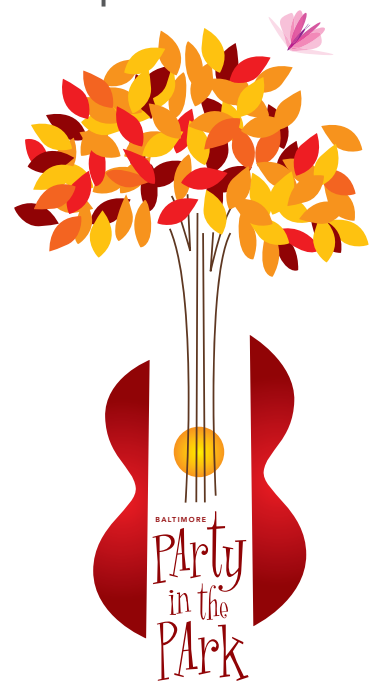

Providing hope. Offering help.

For families & young adults fighting addiction.

The Nikki Perlow Foundation was formed in the Fall of 2008, by family and friends of Nikki. The first year was not only challenging, but exciting and successful. With the help of our Board of Directors, friends and the community we were able to hold three amazing fundraising events:

Par for the Cause

WHAT A YEAR! 2009 was a unbelievable start to the Foundation. NPF is not only helping drive awareness to the problem of addiction, but doing something about it and helping many people in crisis. With funds raised as a direct result of our events, we were able to provide much needed scholarships and contributions to local treatment facilities and prevention programs in keeping with our Foundation's mission.

Among those who have received our help:

FATHER MARTIN'S ASHLEY

Providing compassionate treatment for alcoholism and drug addiction

JEWISH RECOVERY HOUSES OF BALTIMORE

The mission of *JRH* is to help Jewish men and women in the early stages of recovery from alcohol and drug addiction.

RIGHT TURN OF MARYLAND

Right Turn of Maryland is an affordable, regional alcohol and drug treatment facility offering various levels of care based on the individual needs of the client

JEWISH COMMUNITY SERVICES

JCS serves adolescents, adults, and families dealing with addiction and issues related to alcohol and other drugs

Thank you to all of our sponsors, patrons, friends and family
who helped make 2009 such a success!
